Item 1c		No time-bar	No time-bar	In the last 23 complete calendar months (see note 8)	No time-bar

INFORMATION NOTES

- 1
- Time-bar checks are carried out against a history for the same dentist.
- 2
- The same dentist is defined as the original dentist, a partner/principal/associate, or another dentist with whom the original dentist has a financial arrangement.
- 3
- The examination time-bar is calculated based on the acceptance date of the claims.
- 4
- The time-bars do not apply if the examination is a result of trauma. The trauma box must be ticked and observations given.
- 5
- To calculate complete calendar months, for example 5 calendar months, add 6 months, the time bar will expire on the first day of the sixth month. For example: Claim on 18/03/2002, the next claim is possible on or after 01/09/2002.
- 6
- If a patient returns after their registration has lapsed, the 23 month time-bar for Item 1(b) or 1(c) examinations still applies.
- 7
- The Item 1(c) time-bar does not apply when the total fee for treatment claimed exceeds £600.00
- 8
- Item 1(a) is most likely to be claimed for a regular patient, when the dentist is familiar with the patient's oral health.
- 9
- Item 1(b) is most likely to be claimed for a patient who is new to the practice. Charting of the patient's periodontal status must be reported in the patient record.
- 10
- Item 1(c) may be claimed in connection with Item 10(c); Item 18; when treatment is of special complexity involving Items 16, 17; in dentate cases involving Item 27(b) and 27(c), and when the total fee for treatment claimed exceeds £600.00.
- 11
- One additional Item 1(a) may be claimed for patients who are pregnant or who have borne children in the past 12 complete calendar months.

USING THE TABLE

Identify the exam being claimed in the left-hand side of the table and cross-reference along the table to ensure a previously claimed exam has not been paid within the stated time period.

EXAMPLE

If you wish to claim an item 1(b) Orthodontic exam, and you previously claimed an item 1(c) you would need to wait 23 complete calendar months.

Item 1c Orthodontic		In the last 5 complete calendar months	In the last 5 complete calendar months	In the last 23 complete calendar months

INFORMATION NOTES

- 1
- Orthodontic examination fees can only be paid for a patient who has an established or developing malocclusion.
- 2
- An Item 1(c) examination is only payable when study casts and radiographs (if appropriate) are available, and are recorded as available on the claim; the referring dentist or hospital may provide models or radiographs for the orthodontist.
- 3
- An item 1(a) and an item 1(c) are not payable where there are no permanent teeth present.
- 4
- An Item 1(c) claim on a GP17(0) does not bar simultaneous claims for Items 1(a) or 1(b) on GP17 forms when the dentist is also responsible for the patient's general care.
- 5
- Orthodontic examinations must be made using GP17(0) forms, with the appropriate information detailed.

USING THE TABLE
Identify the exam being claimed in left-hand side of the table and cross-reference along the table to ensure a previously claimed exam has not been paid within the stated time period.

EXAMPLE
If you wish to claim an item 10(b), and you previously claimed an item 10(c) you would have to wait 9 complete calendar months.

HISTORICAL CLAIM AND TIME-BAR PERIOD

Item 10b		No time-bar	9 complete calendar months	9 complete calendar months
Item 10c		No time-bar	9 complete calendar months	9 complete calendar months

INFORMATION NOTES

- 1 Time-bar checks are carried out against a history for the same dentist.
- 2 The same dentist is defined as the original dentist, a partner/principal/associate, or another dentist with whom the original dentist has a financial arrangement.
- 3 The time-bars for item 10 are calculated based on the acceptance date of the historical claim to the completion date of the current claim.
- 4 Only one item 10 is payable per course of treatment.
- 5 Treatment under item 10 is inclusive of oral hygiene instruction, therefore a fee under item 6 cannot be claimed at the same time.
- 6 Item 10(a) is only payable in conjunction with an item 1(a), (b) or (c) exam or where an exam was claimed within the previous 11 complete calendar months.
- 7 Item 10(b) is only payable in conjunction with an item 1(a), (b) or (c) exam or where an exam was claimed within the previous 11 complete calendar months.
- 8 Item 10(c) is only payable in conjunction with an item 1(c) exam or where an item 1 (c) exam was claimed within the previous 23 complete calendar months.
- 9 Item 10(c) - radiographs must be available and recorded as available on the claim.

FREE REPAIR AND REPLACEMENT

The treatments below can be repaired or replaced with no charge to the patient:

FILLINGS	ROOT FILLINGS	INLAYS	PINLAYS	CROWNS
----------	------------------	--------	---------	--------

Repairs and replacements must be:

- ✓ carried out within 12 months of the original treatment;
- ✓ be like for like i.e. same surface and same material as original.

Free repairs and replacements may not be supplied if:

- ✓ within 12 months, private treatment has been carried out on the restored tooth;
- ✓ if the treatment was intended to be temporary;
- ✓ if it is at the insistence of the patient, but against the advice of the dentist;
- ✓ another dentist has carried out occasional (other than temporary) treatment within 12 months;
- ✓ the dentist thinks that restoring the tooth by repairing or replacing would not work, and that different treatment is needed;
- ✓ it is needed due to trauma.

Can the practitioner claim for this treatment?

Yes, unless they consider the failure was due to some fault on their part, the practitioner can make a claim.

Other conditions may apply, and we recommend you familiarise yourself with the regulations in: UK Statutory Instruments: 1996 No. 177 (s.14) The National Health Service (General Dental Services) (Scotland) Regulations 1996 (page 27, paragraph 7).

You can view the regulations on-line
